Note: No co-pay may be charged for a household whose income is below 100% of the FPL.

If a client self-declares an inability to pay, the contractor must not charge a co-pay. No client may be denied services based on an inability to pay. If a co-pay is charged, it may not exceed \$30 or the cost of the visit or encounter, whichever is less. The FPL is calculated and published each calendar year at [Poverty Guidelines](#).
